MICRO BREWS FROM ABROAD

Yoho Brewery
Nagano, Japan

Before becoming head brewmaster at Yoho Brewery, Toshi Ishii spent years in the US studying craft beer and even held a tenure at Stone Brewing from '98 - '01. From there he returned to Japan and continued his craft where he is regarded as a pioneer in the Japanese craft beer scene. Now available in the US. Packages: 12oz cans / 4 x 6

"AOONI" IPA

"YOHU BREWERY" NAGANO, JAPAN

Light copper body. Well-balanced, malty, with slightly fruity aromas and fine piney hop bitterness at the front.

ALCOHOL BY VOLUME 7%

"YONA YONA" PALE ALE

"YOHU BREWERY" NAGANO, JAPAN

The malts and yeast offer loads of sweet fruit aromas along with a burnt sugar/tonic tone. Hops are subdued, but present. Complex yet mild flavor with toffee and an ever-present grapefruit hop presence. Finish is clean, dry, with a lip-smacking lingering hop bitterness.

ALCOHOL BY VOLUME 5.5%

"TOKYO BLACK" PORTER

"YOHU BREWERY" NAGANO, JAPAN

A robust porter, well balanced between the malt and the hops. The complex chocolate and roast flavors of dark specialty malts are combined with a floral and slightly spiciness from Perle hops.

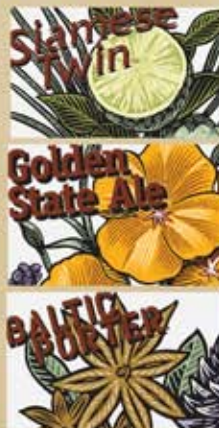

ALCOHOL BY VOLUME 5%
